mystical journeys

Come explore the unexplored

Our dear friend Pundit Samavedula will be along with us at all times on this pilgrimage, gracing us with spiritual wisdom and fascinating tales of Adi Sankaracharya.

Our host Rajiv Tomar will be accompanying us on this yatra. A student of Vedanta and a mountaineer, whose experience, will be pivotal for our journey through the Char dhams.

Pundit Ji and Rajiv have been friends for years but their relationship transcends the threshold of time itself. Their organizations have been promoting Vedanta for over 20 years.

Devotees embark on a journey to the heavenly shrine, seeking blessings in the divine confluence of spirituality and nature.

Mana Village: In the Himalayan embrace, Mana whispers ancient tales. The last village before the mythic lands of Badrinath, it cradles mysteries where sage Vyasa scribed the Mahabharata, and nature's hymns echo in the tranquil meadows.
