PROGRAM: EX-DELHI
06 NIGHTS / 07 DAYS (06 – 12 FEB, 2025)

WELCOME TO KUMBH MAHAPARV 2025

The Kumbh Mela is a massive festival where millions of devotees and seekers gather to participate in sacred rituals and immerse themselves in the holy rivers. The primary activity during the Kumbh Mela is the ritualistic bathing, or "snan," in the sacred rivers, particularly at the confluence known as Sangam, occurs every twelve years at four rotating locations: Prayagraj, Haridwar, Nashik, and Ujjain. In 2025, Prayagraj hosts the event, renowned for its spiritual significance at the confluence of the Ganga, Yamuna, and Saraswati rivers.

Bathing during the Kumbh Mela symbolizes spiritual purification, rooted in Hindu mythology. Pilgrims believe immersing in these holy waters cleanses sins and renews the spirit. Prayagraj's Sangam, the confluence of three rivers, is considered especially potent for spiritual endeavors, believed to lead to moksha.

Astrologically, the 2025 Kumbh Mela holds significance with unique celestial alignments during 'Kumbha Sankranti.' Astrologers anticipate heightened spiritual energies, enhancing transformative experiences. Devotees focus on planetary positions and lunar calendars for auspicious bathing dates.

Beyond religious rituals, the Kumbh Mela is a cultural phenomenon showcasing India's spiritual diversity. It fosters unity among various sects, with revered sadhus adding wisdom and sanctity. The event's vibrant processions, rituals, and colorful sadhu tents attract global tourists and scholars, celebrating India's rich heritage.
